...2001, event was relatively subdued and attendance was lower than usual. Oracle itself had fewer announcements than other vendors. Oracle's Larry Ellison tried to explain a weak quarter and the exodus of many senior executives. The focus was on Oracle 9i and the release of 9iAS, which is expected early in 2002. The new release will comply with the...

...resoundingly promoted for its ability to ease application design for Java, XML, and SQL programmers. Announcements were also made by Compuware, CA, Cape Clear Software, Quest Software, Compaq, and Network Appliance.
